STRATEGIC PLAN

2023

CONTRIBUTE

Contribute to the cultural life of Central New Jersey community by establishing it as a recognized center for high quality music and performing arts events.

PROMOTE

Promote the appreciation and understanding of the art of music by presenting the world's finest singers and instrumentalists in affordable, innovatively programmed public concerts.

INSPIRE

Inspire and build tomorrow's audience for classical and modern music of many styles and genres in Central New Jersey by creating public educational events designed specifically for children and young adults.

ORGANIZE

Organize and support various programs to raise awareness and built base to promote multi-cultural arts and music.

ESTABLISH

Establish Educational Programs to offer imaginatively conceived programs to spark a child's interest in the performing arts and music. Collegium Musicum presents music performances and lecture-demonstrations for children and adults. These programs offer opportunities to meet, hear the music and speak with outstanding musicians.

CREATE & SUPPORT

Create and support Community Outreach program to provide concerts in venues outside the formal concert hall, such as hospitals, schools for exceptional children, public libraries, senior centers, adult health day care centers and retirement communities.

OUR MISSION

The Collegium Musicum, Inc (Collegium Musicum) is a New Jersey based music society and concert presenter, offering professional world-class music concerts, educational children's programs, community outreach programs, master classes, and before concert lectures and discussions.

The mission of the Collegium Musicum is to present the finest national and international classical music, composers, ensembles and soloists, to provide young people with a stimulating introduction to the performing arts, and to reach out to those with limited opportunities to experience the arts.

1

Make a contribution to the cultural life of Central New Jersey community by establishing it as a recognized center for high quality classical music and performing arts events.

2

Promote the appreciation and understanding of classical chamber music in Central New Jersey by presenting the world's finest singers and instrumentalists in affordable, innovatively programmed public concerts.

3

Inspire and build tomorrow's audience for classical music in Central New Jersey by creating public educational events designed specifically for children and young adults.

4

Organize and support various fundraising programs to raise awareness and built base to promote multi-cultural arts and music.

5

Educational Programs. Collegium Musicum offers imaginatively conceived programs to spark a child's interest in the performing arts. Collegium Musicum presents music performances and lecture-demonstrations for children and adults. These programs offer opportunities to meet, hear the music and speak with outstanding musicians.

6

Community outreach program offers mini concerts in venues outside the formal concert hall, such as hospitals, schools for exceptional children, public libraries, senior centers, and retirement communities.
